

Life After AmeriCorps: Using Your Segal Education Award

Clarifications from the workshop on October 12, 2021

Education Award Value

The education award is determined by the grant's year, not by an AmeriCorps member's start date. The value of the education award will be listed in the Member Service Agreement.

AmeriCorps NCCC and VISTA

AmeriCorps NCCC stands for National Civilian Community Corps. This is team-based, residential service that includes projects in multiple states. For more information, please visit <https://americorps.gov/serve/fit-finder/americorps-nccc>

AmeriCorps VISTA stands for Volunteers in Service to America. This is service focused on capacity building and poverty alleviation. For more information, please visit <https://americorps.gov/serve/fit-finder/americorps-vista>

AmeriCorps & Competitive Hiring

AmeriCorps VISTA and Peace Corps alumni have temporary non-competitive eligibility for federal jobs. This lasts for 1 year after service, with possible extension.

For more information, please visit USAJobs:
